Choir Master: Kenny Hutchison

As we make a comeback from Covid, here's a great weekend activity, courtesy of Lamp of Lothian:

- On Saturday 30th April 2022, a new community choir will be launched in the Bridge Centre Haddington, and we'd love you to join us!
- It will run on Saturday afternoons from 2.30pm-4pm in preparation for an exciting concert to be staged in Haddington on 25th June, with special guests.
- You don't have to read music and no previous experience is necessary.
- It's all completely free too!
- Your choir leader will be Choir Master Kenny Hutchison and the repertoire is likely to be appealing pop, jazz standards and some interesting surprises.
- The Choir is open to everyone from age 12 upwards and we hope to have a real mix of ages and voices and as we are expecting strong demand, spaces will be available on a first come first served basis.
- Please sign up by emailing [admin@lampoflothian.org.uk](mailto:admin@lampoflothian.org.uk)
